The Sundays in March will lead up to Easter, the season in which we once again recall Christ's obedience and resurrection, and the hope we gain because of what took place. As we make spiritual preparation for the Easter celebration, our Sunday worship services will focus on some of the healing events of Jesus' earthly ministry. We can learn from these passages how to bring healing into our own lives, and consider being agents to help restore wholeness in the lives of others. Let's follow God's leading together – Sunday by Sunday. I look forward to learning and worshipping with you.

In Christ's love,  
[Pastor Jay](#)

## Millfield Making a Difference

Millfield Making A Difference at Courtland Health Care Center is off and running! I would like to take this opportunity to bring you all up to date on our progress at CHCC so far. In early February, fifteen volunteers completed the hour long orientation session led by Activities Director, Felease Hart. Many of these folks have already begun participating in activities and helping during "lunch hour". Way to go! Our next orientation session is scheduled for Thursday, March 4 at 7 pm. Please let me know if you plan to attend so I can give Ms. Hart a number to plan for. We will continue to have these orientations for the next month or two until all of our folks who wish to participate can be oriented. Youth do not have to attend (unless they want to) because they will always be chaperoned by an already "oriented" adult.

Ms. Hart will be sending me her monthly calendar of activities that we are welcome to help with. Hopefully, this will be received in time to accompany the newsletter each month. If not, I will e-mail the calendar to the church office and it will in turn be forwarded to members. There will also be copies available at church for those who do not have e-mail or wish to have a hard copy. In addition to Ms. Hart's activities, I would like Millfielders to come up with new suggestions/ideas for the residents. I will be asking various Sunday School classes and groups within the church (led by Mission team members) to be responsible for 1-2 activities during a given month for the residents. I challenge you to be creative--the possibilities are endless! That said, I will remind you of the Mission team members--Jean Felts, Nancy Stephenson, Delores Parker, Pam Smith, Richard Simms, Randal Branch, Chris Cornwell and myself. If you have any ideas/suggestions/concerns please let one of us know. We also ask for your prayers regarding this mission as it is new uncharted territory for Millfield!

In closing, I have been in contact this past week with Mandy Pennington, the new administrator at CHCC. She had nothing but praise for the volunteers that have already started and she appreciates the enthusiasm that Millfield has towards this project. She stated that "You all have no idea the impact that you are already making on our residents. Thank you so much!"

Blessings to you all,  
Sharon Whitehead

# Saddle Up for ... Saddle Ridge Ranch VBS 2010

**VBS Week June 21-26**

Grab your "Boots" and make plans to attend the first Dinner/Workshop/Meeting on Wednesday, March 17 at 6 pm in the Fellowship Hall. This is open to anyone who will be volunteering to help in any way with Bible school this summer.

A cowboy can't drive his herd somewhere unless he knows where he's going... The Ranch needs lots of enthusiastic "Ranch Hands". Saddle Ridge Ranch is a place where kids can ask questions and discover the answers found in God's Word. God has a way of herding us in the right direction as we pray about His plans for VBS. So.. come on out to the Ranch. We will be taking an active part as to what "A Day at the Ranch" will be like! Food, Games, Crafts, DVD 's, Bible Study, Music, Prayers and Door Prizes. Oh.. And YES, a prize will be given to the best dressed Cowboy or Cowgirl. Use your imaginations and talents and let the fun begin!!

**Ranch Motto:** Need Answers? Ask God!

**Ranch Scripture:** "Now if any of you lacks wisdom, he should ask God, it will be given to him." James 1:5

Prayers have already been sent and prayers have already been answered. Let's keep it up! Get involved!

Thanks a bunch,
